

Hydrant Flushing Notice

Pocomoke City, Maryland

Calendar Year 2019

In order to remove sedimentary materials that may be in the waterlines, the Pocomoke City Water Department will flush all hydrants. Work will begin at 1:00 p.m. on the scheduled dates listed below. This work may result in temporary discoloration in the water in some homes but will not present a health hazard. In the Pocomoke Heights, Winter Quarters and Greenway Ave. spot flushing will be done each Thursday and Friday after 1:00 p.m. as needed and City wide each month on the day listed below. ***City residents are requested to retain this list for future reference.***
